

Leonor Domingues

PRODUCT DESIGN, WEB DESIGN

I am Master in Design and Multimedia from the Faculty of Science and Technology of the University of Coimbra (FCTUC).

Throughout my path, I have been involved in various extracurricular activities, but if I had to highlight one, I would say that I was part of Junior Enterprises Portugal.

In the future, I would like to develop my skills in Human Computer Interaction, User Experience, Artificial Intelligence, and Web Design.

WORK EXPERIENCE

WEB AND GRAPHIC DESIGNER

SonantAI, United States (remoto) | oct 2025

As the designer of the Sonant Hackathon event, I contributed to its marketing image and communication.

 sonant

GRAPHIC DESIGNER

Summer internship – ZIP Design, Coimbra | jun – jul 2024

The internship at ZIP resulted from recognition I received at a design event.

 ZIPDESIGN
CREATIVITY AGENCY

IMAGE COORDINATOR

Shift APPens - Hackathon, Coimbra | jul 2023 – jun 2024

In the 10th edition of Shift, I collaborated with the event coordination and coordinated the image team, consisting of 5 designers. The event was attended by 200+ Shifters, 10+ partners, 50+ staff members, and 40+ guests.

IMAGE COLLABORATOR

Shift APPens - Hackathon, Coimbra | ago 2022 – abr 2023

SENIOR DESIGNER

jeKnowledge, Coimbra | abr 2022 – 2024

jeKnowledge allowed me to develop skills in areas such as product design, UX/UI, web development, and communication and image. In addition, I developed other skills such as communication with clients and companies and team spirit.
